ABOUT THE NOVEL

Land of Giants, A Dragon Slayer Bible Story is an adventure-packed Biblical fiction novel for middle grade readers. Other books in the Dragon Slayer Bible Series include *Garden of Mysteries* and *Rise of the Enemy*.

A secret alliance. A dangerous mission. A deadly enemy.

Twelve-year-old Shem wants one thing—to become a warrior. But his father, Noah, is too busy building a giant ark to train him. The world mocks his family, and Shem is tired of feeling left out and embarrassed. He’s ready to trade his tools for a sword and show the Cobras, the toughest gang in the city, that he’s not just some weird kid with a crazy dad.

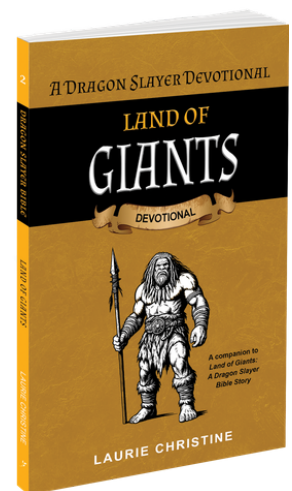

When Shem makes a secret deal with the son of a family rival, he finally gets the training he’s always wanted. But something isn’t right. Monstrous giants called Nephilites have invaded the land. And the dragon they serve is more dangerous than Shem ever imagined. If Shem wants to protect his family, he’ll have to learn what it really means to be a warrior.

ABOUT THE DEVOTIONAL

The battle is real. The giants are big. But the King is bigger.

This companion devotional will help kids face their own giants with faith, courage, and the truth of God’s Word. Through story-based reflections and Scripture-centered lessons, kids will learn what it means to:

- Trust God’s timing when life feels unfair.
- Stand strong when friends or culture pull them away.
- Find courage to obey when the world mocks.
- Remember that the King always wins.

Packed with Scripture, practical applications, and interactive challenges, these devotions connect the epic adventure of Shem and Noah to the even greater story of God’s rescue plan for His people.
